It is expected an souri Pacific and Santa Fe passenger official will arrive here tomorrow train at Sheffield five miles east of from Buffalo to identify the man who Kansas City, at 1 o'clock this mornsays he has served time in Illinois was nearly crazed from fear that of Jefferson City, Mo., fireman of the of the inured will die.

Nearly all of the mail clerks on the Missouri Pacific train were bruised and cut, two of them being injured London, Sept. 21 .- The Bank of Eng- seriously. John Durringer's hip was The only person on the Santa Fe

known to have been hurt is Mrs. Anna Lawless, wife of John J. Lawless of Los Angeles, who was in the dressing room of the chair car. She was scalded by boiling water from bursted pipes but was not dangerously in jured. She and her husband were returning from Ireland.

The Santa Fe train is known as No. 15 and is the Kansas fast mail from Chicago. The Missouri Pacific is the fast mail from St. Louis. Both enter Kansas City over the same track and both were late. The Santa Fe train had stopped at a crossing and the other train crashed into it The Santa Fe's steel coaches are believed to have prevented a heavy loss

## CZAR WRECKS A ROMANCE

Forces Brother to Give Up Sweetheart and Her Face to Be Marred.

St. Petersburg, Sept. 21.-It is reported that the most beautiful face in all Russia has been hopelessly marred by command of the czar, in order that the Grand Dake Michael, the czar's only brother, might be reand the Bank of England stock of stored to the honors which he forfeited through his infatuation for the face.

intrigue and statecraft in which the czar, the grand duke and the beautiful Ekatarina, a girl of high social standing but not of the royal blood. play the principal roles. When the grand duke's infatuation with Ekatarina first became known to the czar he was very much incensed. Soon afterward Ekatarina married a rich Moscow banker, Mamontoff, and the affair with Michael passed from the indulgent brother to the province of the holy synod, chief authority of the orthodox church. Mamontoff is the ichest man in Moscow, the town of Russian millionaires where Ekatar. ina's parents likewise are leaders in

society. Mamontoff quickly developed the jealous temperament of an Othello, Paris, Sept. 21.-The rate of disand watched his wife like a Turk count of the Bank of France was Love making between Michael and Ekatarina was reduced to the exchange of burning letters, but when spies delivered one of the duke's missives to the banker, he gave an explosion of wrath that startled Mos-

Kiev since the assassination and the exodus continues. M. Kalkin, chief of the patriotic league, has been arrested for antilewish discourses. Prefect Tollmatcheff of Odessa asks guarantees for

the preservation of order.

St. Petersburg, Sept. 21.-Full exosure of the scandalous criminal inrigues in high governmental circles eading to Premier Stolypin's assassination is forbidden, says the Nove Premya, by partiotic relations. The paper says that only a mere fraction of the findings of Minister of Justice Chtecheglovitoff, who is investigating the assassination of Premier Stolypin at Kiev, can ever be published.

Only Gen. Trepoff's prompt measure in throwing a cordon about the theater and directing the work of the secret police, says the Vremya, prevented he escape of Brogoff from the hands of justice. Col. Kuliabako made a strenuous but unsuccessful effort to have the prisoner kept at the secret police headquarters instead of in the fortress. Had Trepoff surrendered Brogroff to Kuliabako, the papers declare, few details of the crime would ever become known.

The inquiry into the assassination of Stolypin with particular reference And It Is the Rural Districts, Not in to the revolutionary and police elethe Cities, That the Government's ments involved is being conducted Agreement With Uncle Sam Has personally by M. ## With Snow, Rain, Slush and Mud Norfolk Will Badly Need Pavement

Norfolk has been particularly free from muddy streets this summer, owing to lack of rain. But with the snow of winter, the slush of spring and the normal rainfall of summer, this city is used to having streets kneedeep in mud a good portion of an average

Everybody realizes the importance to Norfolk, from every viewpoint, of providing a paved street to the new Third street depot, so that visitors won't have to ride through a mire for an hour before getting up town. Lack of pavement in muddy weather works very serious injury to Norfolk in every way. It keeps people away from town and makes them knock when they have to come. It's a big

black eye. We've wasted one entire summer this year, not laying a single paving brick. Are we going to shiftlessly repeat that performance next year? If we're not, NOW'S the time to get the paving petitions

Every summer Norfolk loses, without adding paved streets,

keeps the town back. And if we're ever to pave (which everybody

knows we are) why not do it, and begin getting the benefit of it?
